First Things: Finding Balance in the Past, Present, & Future

Past

Present

Future

Journaling Topics/Prompts

- What percentage of time are you focused on past vs. present. vs future? (e.g. 40%, 10%, 50%) What would you like those percentages to be?
- Do you feel out of balance in terms of your time focus?
- Which time period to you focus on least? Most? Why do you suspect that is?
